ATTENDEE DEMOGRAPHICS

Benefits of Exhibiting

PacVet draws over 1,500 veterinary professionals from across the United States and other countries. On average, the two-day expo draws 95 percent of PacVet attendees with complimentary lunches, coffee breaks, raffles and events. Your business will be seen at PacVet. Exhibitors are recognized in the *California Veterinarian* magazine, conference website, conference program, conference app, and other related marketing materials.

Tips to maximize your PacVet exhibiting experience:

- Become a sponsor
- Host a symposium
- Provide a show special
- Provide a booth raffle
- Connect with attendees
- Network with other exhibitors
- Include social media information on your display

Health and Safety

The California Veterinary Medical Association (CVMA) continues to monitor the ongoing concerns regarding COVID-19 and communicable health risks. The CVMA will implement health and safety protocols appropriate to the public health circumstances existing at the time of the conference. The CVMA will exercise reasonable efforts to utilize protocols that will comply with or exceed any local public health requirements and be consistent with the standards maintained by the host venue and relevant public health agencies. Those protocols may include the following: proof of vaccination, proof of COVID status, symptom checkers, contact tracing, use of personal protective equipment, self-monitoring, social distancing, or other similar measures. Compliance with the protocols adopted by the CVMA will be mandatory for in-person attendance and participation at the conference. Information regarding the specific health and safety measures in place will be communicated to attendees and exhibitors prior to the start of the conference. The current in-person attendee requirements will be posted on the PacVet website at www.pacvet.net.

EXHIBITOR RULES & REGULATIONS

These rules and regulations governing the Pacific Veterinary Conference are part of the exhibitor contract. The interpretation and enforcement of the rules and regulations by conference management are final. All matters not specifically covered by these rules and regulations are subject to the decision of conference management. All determinations by the Pacific Veterinary Conference regarding the enforcement of rules, regulations, and conditions under this contract shall be final and binding.

Eligibility

Eligibility to be an exhibitor at the Pacific Veterinary Conference is limited to organizations whose products and/or services relate directly to the practice of veterinary medicine. The Pacific Veterinary Conference reserves the right to reject any application to exhibit.

Assignment of Exhibit Booth Space

Priority is given to returning Pacific Veterinary Conference exhibitors based on points accumulated through the last conference. After that, booths are assigned on a first-come, first-served basis regardless of accumulated points. Booth space is assigned to companies paid in full.

Management reserves the right to make final determination of all space assignments, including changing the floor plan or reassigning booth space if necessary, in the best interest of the Pacific Veterinary Conference. If exhibit space is sold out, companies will be placed on a waiting list based on date of receipt and payment of application. Management retains the right to refuse display space to any company whose goods and/or services are not, in the opinion of management, compatible with the general character and objectives of the Pacific Veterinary Conference and the California Veterinary Medical Association.

Priority Point System

The Pacific Veterinary Conference uses a point system to assign exhibit booth space up until January 13, 2023. After that, booths are assigned on a first-come, first-served basis regardless of points. The following is a complete breakdown of how those points are accumulated and utilized:

- Two points for exhibiting at the 2023 Pacific Veterinary Conference.
- Two points for every \$5,000 in sponsorship in 2023.
- Points are added to accumulated points year after year.
- Priority is given to returning exhibitors based on points accumulated through the last conference.
- Accumulated points will not hold a booth space if payments are not made according to the schedule/calendar on page 4.
- Companies who begin tear down or have left the Vet Expo prior to 3:30 PM on Sunday will lose all priority points and will have a low booth assignment at future conferences.
- If companies have the same number of points, the company that submitted their contract and pays in full first will have priority in selecting a booth.
- No-shows do not accumulate points.

Booth Dimensions | Floor Covering Requirements

Booths are 10' x 10' or 10' x 20' in size. Backwall drapes are eight feet high and sidewall drapes are three feet high. Fire code regulations prohibit exhibits from extending into aisles. Expo hall aisles are carpeted; however, individual booths are not. Exhibitors must provide appropriate floor covering or order carpet through the general service contractor. At final inspection, if your booth does not have floor covering, show management will have the booth carpeted at exhibitor's expense.

Booth Setbacks and Unobstructed Sight Lines

The Vet Expo floor plan and rules and regulations are designed to allow unobstructed sight lines for all exhibitor booths. If your booth configuration obstructs sight lines (e.g., your booth height exceeds eight feet), contact Della Yee at 800.655.2862, ext.11 before you request a booth. You may be placed on the perimeter of the Vet Expo, as some perimeter booths can accommodate backdrops of up to 12 feet. A 12-foot backdrop request must be written on the exhibitor contract and approved in advance. This does not exempt exhibitors from also maintaining a setback of six feet in from the front and sides of booths.

Standard In-Line Booth Guidelines

The maximum back wall height and maximum height of booth components is eight feet. Booth components are restricted to a height of three feet for the first six feet from any aisle (i.e., only four feet into the booth from the rear of the booth may exceed three feet in height). Hanging above booths is prohibited. Display booths cannot block views of other booths, either beside or behind the booths. Exhibits with backlight must be equipped with a back shield to prevent light interference with the booth behind. The aisles are the common property of all exhibitors and must not be obstructed at any time.

End-Cap Booth Guidelines

End-cap booths are exposed to aisles on three sides and are composed of two booths. The booth is 20 feet wide by 10 feet deep. End caps must meet all of the standard booth guidelines (in-line) above.

Subletting, Sharing, or Reassignment

Subletting, sharing, or reassignment of space by an exhibitor is strictly prohibited. The exhibitor agrees not to assign, sublet, or apportion space or any part thereof contracted for, nor to exhibit, advertise, or offer for sale merchandise or services other than those manufactured or sold by the exhibiting company in the regular course of business.

Public Aisles

Public aisles may not be used by exhibitors. All business must be conducted within the booth and display materials must be arranged so that attendees are not required to stand in the aisles to examine products. No exhibit or advertising matter is allowed to extend beyond the confines of the booth unless authorized by show management. Exhibitors cannot use tables outside of their booths to conduct business.

Default of Occupancy

- Default of occupancy is the responsibility of the exhibitor.
- Exhibitors must be show-ready by 8:30 AM on Saturday, June 10, 2023.
- Failure to occupy by the designated set-up time does not excuse payment in full for the contracted booth.
- The onsite contact for the company must check-in with show management or American Exposition Services no later than 7:00 AM on Saturday, June 10, or the exhibitor will be considered a "no-show." Space will be re-assigned at the discretion of show management. No-shows at the conference do not get a refund and will not be allowed to exhibit at the next Pacific Veterinary Conference. No-shows also do not accumulate priority points.
- Removing display items and/or dismantling a booth before the scheduled breakdown time for all exhibitors is a violation of this contract and will be considered the same as a no-show.

Merchandise Removal

A written release is required to remove material from the Vet Expo after the first day of installation through the last day of dismantling. Official release forms will be available at the Decorator's Service Desk. Materials remaining in the Vet Expo after 7:30 PM on Sunday, June 11, 2023 will be removed at the expense of the exhibitor.

Exhibitor Personnel | Badges

Exhibitor booths must be staffed during the scheduled hours of the exhibit hall. Exhibitor badges are for exhibitor's company staff only and must be worn at all times. The exhibitor reserving the space is responsible for letting the Pacific Veterinary Conference know the names of their staff members by May 19, 2023. Additional exhibitor badges are available for \$250, which includes all meals served in the Vet Expo. Veterinarians and veterinary technicians who are registered for the conference through an exhibitor can attend CE classes, but they must register for the conference as an attendee and pay the appropriate fees to receive a certificate of attendance and access to lecture notes. Exhibitors will incur a \$25 fee for each replacement badge.*

Booth Payment

Booths contracted and not paid in full by January 13, 2023, may become available for resale. Prior to this deadline, companies with an outstanding balance will be contacted by conference management for final payment. If full booth payment is not received by January 13, 2023, the company will forfeit their deposit and their booth will be put back in inventory for resale. Full payment is required for all contracts received after December 31, 2022.

Payment must be made by check (payable to Pacific Veterinary Conference) drawn on a U.S. bank or by credit card (Visa, MasterCard, AMEX, or Discover only); dishonored checks or credit cards will prevent booth(s) being assigned until rectified. There is a \$35 charge for returned checks. All first-time exhibitors are required to pay by credit card.

Exhibitor Cancellation Policy

Exhibitor cancellation and refund requests must be received in writing on company letterhead by February 1, 2023. Fifty percent of the total booth cost is non-refundable. No refunds are given for cancellations made after February 1, 2023.

Conference Cancellation and Postponement Policy

In the event the Pacific Veterinary Conference (PacVet) must cancel its in-person programming due to acts of God, government regulation, war, terrorism, disasters, strikes, civil disorder, curtailment of transportation facilities, public health emergency (epidemic, pandemic or similar), or any other emergency beyond the reasonable control of show management, the PacVet will refund in full the paid exhibit booth fees. However, PacVet does not assume responsibility for any additional costs, charges, or expenses, including but not limited to costs incurred for travel and lodging. If the conference is postponed or transformed into a virtual event, paid exhibitors will be given the option to transfer their payment to the rescheduled dates or the virtual conference or receive a full refund upon written receipt of the exhibitor's desire to cancel.

Floor Plan Changes

The exhibitor agrees that the Pacific Veterinary Conference shall have the right to make changes to the floor plan arrangement of booths as it shall deem necessary.

Pre-Show Inspection and Violations Notice

A walk-through takes place by conference management beginning at 5:00 PM on Friday, June 9, 2023. Any booths not meeting the rules and regulations set forth in this exhibitor prospectus are in violation of show standards. A violation notice, stipulating required action, will be posted in the booth. If an exhibitor receives a violation notice, they must correct the problem by 8:00 AM on Saturday, June 10, 2023 or their booth will be dismantled at the expense of the exhibitor. Violations include exceeding booth height and width restrictions as specified in this exhibitor prospectus. Any pop-up, pre-fabricated, or other custom-designed booth that appears unfinished from the sides or the back will be draped by AES and billed to the contracting exhibitor. No refunds are issued for booths that are dismantled due to a violation of the booth construction guidelines.

Vet Expo Access for Booth Set Up and Break Down

Exhibitor acknowledges that the show site and surrounding areas are active work zones. Exhibitor, its agents, employees, and representatives are present at their own risk. In the interest of safety, only those individuals directly responsible for set up and/or break down of booths are permitted in the exhibit area. Children under the age of 18 are not allowed in the Vet Expo during installation and dismantling of exhibits—no exceptions.

Exhibitor/Sponsor Policies

Each exhibitor/sponsor agrees to observe the Pacific Veterinary Conference's policies on events, activities, hospitality suites, and raffles as a condition of exhibiting and/or sponsoring. Any event or other form of planned presentation that is scheduled, other than those approved by the Pacific Veterinary Conference, is regarded as an exhibit/sponsor contract violation.

Suitcasing

Suitcasing is a business practice in which companies will gain access to an event by obtaining some type of event credential (attendee badge, expo-only badge, etc.) and then solicit business in the aisles or other public space used for the conference. This practice skirts the support of the organizer and the industry. The Pacific Veterinary Conference has a zero-tolerance policy regarding suitcasing. If there is someone who has obtained credentials for the purpose of suitcasing they will be asked to leave the conference immediately.

Events, Activities, and Hospitality Suites

All requests for any exhibitor/sponsor events, activities, and hospitality suites must first be approved by the Pacific Veterinary Conference. Competing events are prohibited, including seminars, sessions, or receptions conducted at one of the conference contracted properties or off property during any Pacific Veterinary Conference scheduled activity. Exhibitors/sponsors requesting a suite must notify the Pacific Veterinary Conference if it will be used for hospitality. Industry-related events, entertainment, and hospitality activities may not overlap with Pacific Veterinary Conference program events.

Raffles

Raffle drawings are permitted within a booth, but the exhibit hall and/or Pacific Veterinary Conference public address system cannot be used to promote these raffles in any way, or to announce the winners. Exhibitors must make it clear, both during and after the conference, that the raffle is theirs and not an official Pacific Veterinary Conference raffle.

Animals and Music

Animal exhibition in your booth require pre-authorization. Exhibitors must submit a written request to show management before space assignment. Pets and companion/emotional support animals are not permitted.

Music in the booth space or at any function held in conjunction with this conference is subject to applicable copyright and licensing fees charged by ASCAP and/or BMI. It is the sole responsibility of the exhibitor/sponsor to pay applicable fees. For more information about licensing fees, visit www.ascap.com or www.bmi.com. Music level must not disturb adjacent booths.

Food Service

The Pacific Veterinary Conference's agreement with the Long Beach Convention Center prohibits any food or beverage from outside sources brought into the exhibit booths unless contracted with its catering department. Any exhibitor/sponsor that brings in unauthorized food and/or beverages will be asked to cease serving or risk confiscation of any such items. Additionally, such violation may result in action by the Pacific Veterinary Conference to remove the entire display and booth representative from the conference floor altogether at the violator's expense. The exhibitor/sponsor understands and accepts these terms as contracted obligations with the Long Beach Convention Center and the Pacific Veterinary Conference.

* Exhibitor badges purchased after May 19, 2023 are non-refundable. Cancellations must be made in writing and emailed to info@pacvet.net. \$50 administration fee applies.

Exhibitor Service Kit

Exhibitor service kits are emailed to exhibitors after receipt of full payment and booths have been assigned. You will be sent a link from American Exposition Services (AES) to the online service kit which will include order forms for items you will need in your booth, lead retrieval, electrical, shipping information and rates.

All services customarily required by exhibitors are available at current rates. These services include decorating, drayage, electrical, furniture rental, computer rental, sign printing, carpenter services, storage, general labor, plumbing, photography, special cleaning/porter service, florist, and telephone services. Acceptance of exhibit space by an exhibitor constitutes agreement to use only the Pacific Veterinary Conference official suppliers. Exhibitors may not use an independent contractor for any of the above services.

Liability/Indemnity

The exhibitor agrees to make no claim for any reason whatsoever against the Pacific Veterinary Conference, the California Veterinary Medical Association, the Long Beach Convention Center, the official general service contractor and their officers, directors, employees, agents, and authorized representatives, for any of the following: loss, theft, damage to goods, or injury to himself, his employees, or attendees while in the exhibition area, nor any consequential damage to his business for failure to provide space for the exhibit or for the failure to hold the event as scheduled.

The exhibitor assumes entire responsibility and hereby agrees to protect, indemnify, defend, and hold harmless all parties from claims, losses, damages to persons or property, governmental charges for fines, and attorney's fees related to the use of the exhibition premises or part thereof. In addition, exhibitor acknowledges that neither the Pacific Veterinary Conference, the California Veterinary Medical Association, the Long Beach Convention Center, or the official general service contractor maintain insurance covering exhibitor's property and that it is the sole responsibility of exhibitor to obtain business interruption and property insurance covering such losses by exhibitor.

Exhibitors/sponsors are required to provide the Pacific Veterinary Conference with a copy of proof of liability insurance listing the California Veterinary Medical Association, the Pacific Veterinary Conference, and the Long Beach Convention Center as additional insureds. Please email proof of insurance to CVMA at info@pacvet.net or fax to 916.646.9156.

Fire Code Regulations

All exhibitors must comply with all fire code laws, rules, and regulations governing the State of California, the City of Long Beach, and the County of Long Beach.

Exhibitors and Convention Promotion

The names of confirmed and past exhibiting companies may be used by the Pacific Veterinary Conference for promotional purposes. Photos taken in the Vet Expo or at any other Pacific Veterinary Conference event by the Pacific Veterinary Conference staff or designated photographers of exhibiting companies and their employees may be used by the Pacific Veterinary Conference for promotional purposes.

Labor Jurisdictions

All work performed in the exhibit area is under union jurisdiction and under safety jurisdiction. Show management and all exhibitors are expected to comply with the unions and with fire and safety requirements in effect. In the interest of safety, continuity, security, and control, the following are understood as exclusive services if provided by AES: material handling, receipt/unloading of inbound Federal Express and UPS shipments, audio visual, rigging, electrical, plumbing, and custom cleaning. Should the facility provide some or all of the following services: electrical, plumbing, compressed air, sign hanging, cleaning of certain areas, and phones, their work rules and union jurisdictional issues would apply for these services.

AES has a great relationship with all unions. They work very closely with them to create a positive work environment that enables them to deliver the highest quality of service. Their effective leverage of these relationships provides greater efficiencies to the exhibitors. AES anticipates that all contracts up for renewal will result in non-contentious resolutions.

Decorators Union (Exhibitor Labor)

Members of this union claim jurisdiction over all set-up and dismantling of exhibits including signs and laying of carpet. This does not apply to unpacking and placement of your merchandise. Full-time employees of exhibiting companies may set up their own exhibits provided that one person can accomplish the task in less than ½ hour without the use of tools. If your exhibit preparation, installation, or dismantling requires more than ½ hour, you must use union personnel supplied by the official service contractor. If union labor is required, your company personnel may work along with a union installer on a one-to-one basis.

Teamsters Union (Freight Handling)

Members of this union claim jurisdiction on the operation of all material handling equipment, all unloading and reloading, and handling of empty containers. An exhibitor may move materials that can be carried by hand, by one person in one trip, without the use of dollies, hand trucks, or other mechanical equipment.

All exhibitors are expected to comply with any union requirements in effect and as outlined in the official exhibitor service kit. All exhibitors are expected to comply with any union requirements in effect and as outlined in the official exhibitor service kit.

Gratuities

AES work rules prohibit the solicitation or acceptance of tips in cash, product, or gifts in kind by any employee (union or non-union). AES employees are paid appropriate wages denoting professional status, therefore tipping of any kind is not allowed.

Logistics

Make shipping easy. With AES Transportation, you can save time, money, and unwanted hassle.

Through the AES Exhibitor Services Department, exhibitors can reach a specialist ready to assist in getting your exhibit materials to and from the show. AES Transportation can arrange ground, air, or expedited shipping so you are assured your materials will arrive on time. Exhibitor Services Specialists can be reached 8:00 AM–5:00 PM PST at 916.925.3976 or info@american-expo.com.

Care of Building

Acceptance of exhibit space makes it obligatory on the part of the exhibitor and any employee that they shall not deface, injure, or mar the Long Beach Convention Center. Decorations, signs, banners, etc., may not be taped, nailed, stapled, or otherwise fastened to ceilings, walls, doors, windows, painted surfaces, or columns. Any damage done shall be the responsibility of the exhibitor and not the Pacific Veterinary Conference, the California Veterinary Medical Association, or the Long Beach Convention Center.

Security

Professional, uniformed security personnel will be provided on a 24-hour basis beginning 2:00 PM Friday, June 9, 2023 until 4:00 PM Sunday, June 11, 2023. The Pacific Veterinary Conference, the California Veterinary Medical Association, the Long Beach Convention Center, nor any of their officers, directors, members, employees, or agents, including, but not necessarily limited to, AES, are responsible for any loss or damage to exhibitor property. Exhibitors should not leave in their booths any electronic equipment, jewelry, or other valuable items that can be hand-carried.

Advertising and Sponsorship Payments and Cancellation

ADVERTISERS

Notification of intent to cancel advertising in the conference program must be provided in writing on company letterhead. Cancellation, refund, or advertising change requests will not be accepted if received by the Pacific Veterinary Conference after November 30, 2022, the deadline for receipt of ad copy. As of this published date, an ad is considered to be "in production."

CHARGES FOR ADS IN THE CONFERENCE PROGRAM

If a sponsorship was reserved and a request is made for cancellation or deletion of any portion of the sponsorship, the canceling sponsor will be charged the non-sponsor rate for ads already published, ads in production, or ads to be subsequently published, if necessary.
