

## Join the Growing List of Veterinarians Making the Switch to PetLink

**Get MORE from your microchip & reunification service provider.**

- ✓ Lifetime registration with NO annual fee, NO renewals, NO update fees and NO uncomfortable conversations with customers
- ✓ **PetLink Slim** is the only thin polymer microchip on the market
- ✓ We don't market insurance, pharma, or anything else to your customers
- ✓ 24/7/365 registry and recovery services for vets, animal professionals, and pet owners online and at 1-877-PETLINK
- ✓ PetLink.net is affiliated with AAHA's [www.petmicrochiplookup.org](http://www.petmicrochiplookup.org)
- ✓ We offer unsurpassed international coverage; our Petmaxx.com search engine unites 33 international databases for truly global microchip search and recovery
- ✓ PetLink is protected with funding which guarantees any pet's registration will be maintained for the life of the pet. Can you trust that any other database will truly be there for your pet's whole lifetime?
- ✓ We sell only ISO-compliant, 15-digit, 134.2 kHz microchips and universal scanners

## New User Special Offers for PacVet Attendees
