

More than 245+ California-approved CE hours are available, with the opportunity for veterinarians to earn 28.5 approved CEUs and a technician track with 26.5 units of technician-specific CE.

Continuing education tracks include:

- Avian/Exotics
- Disaster Medicine
- Equine
- Hobby and Food Animal
- Laboratories/Workshops
- Integrative Medicine
- Practice Management
- Shelter Medicine
- Small Animal Medicine
- Small Animal Surgery
- Technician
- USDA Veterinary Accreditation Renewal
- Symposia
- Wellness

‡ This course satisfies the one hour of California CE requirement on the judicious use of medically important antimicrobial drugs.

€ These courses are CVPM-approved CE for recertification.

Attention all technicians and veterinary assistants

Join us on Saturday, June 20 from 5:30 PM to 7:00 PM for this year’s Technician Fair.

Visit with industry partners and NAVTA-approved academics and societies. Enjoy appetizers, a no-host bar, and a raffle!

Sponsored by

‡ This course satisfies the one hour of California CE requirement on the judicious use of medically important antimicrobial drugs.

€ CVPM-approved CE for recertification.

Sessions *by Day*

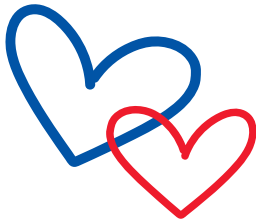

Sunday, June 21

	Small Animal Medicine 1	Small Animal Medicine 2	Small Animal Surgery	Technician		Avian/Exotics	Practice Management
